We Can Only Try!

*You'd think life would get easier as the hardest times
are passing by.
You'd think you'd earned the right to happiness, to
replace the times you'd cried.
But life isn't fair to anyone.
Rich man, poor man, wise man, fool.
We are born, we live, and then we die.
Some seem to have been born with a lucky star,
The rest of us have been denied.
But, weak or strong,
Our lives go on.
As we climb life's mountains high,
Or walk it's darkest valleys, alone
Seeking the reason why.
Always searching for the answer.
!Always wanting the truth.
Always watching the ones who have the lucky stars,
While we can only try
