# Celebrating A Life

## Mary Anne Newberg

*I am a cloud. My Creator says in His Word that your life is like me: a vapor that appears for a short while and then vanishes away. Like me, the effects of your life will linger after you are gone. But you are different from me in several important ways. Although your life seems very fleeting in the scope of time, you will always exist somewhere. Also unlike me, you have a great deal of freedom to choose what you will do during the short period of time you have been given. Yes, indeed! Freedom to choose, and accountability with that liberty.*

*Only one life, 'twill soon be past;  
only what's done for Christ will last.*

IN LOVING
