

I'd like the memory of me
To be a happy one,
I'd like to leave
an afterglow of
smiles
when life is done.

I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright & sunny days.

I'd like the tears of those who grieve,
To dry before the sun
Of *happy memories*
that I leave behind
When life is done.
