

### A SILENT TEAR

Just close your eyes and you will see  
All the memories that you have of me  
Just sit and relax and you will find  
I'm really still there inside your mind

Don't cry for me now I'm gone  
For I am in the land of song  
There is no pain, there is no fear  
So dry away that silent tear

Don't think of me in the dark and cold  
For here I am, no longer old  
I'm in that place that's filled with love  
Known to you all, as "up above"

*"So we do not lose heart...Though our outer nature is wasting away, our inner nature is being renewed every day. For this slight momentary affliction is preparing us for an eternal weight of glory beyond all comparison, because we look not to the things that are seen but to the things that are unseen; for the things that are seen are transient, but the things that are unseen are eternal...So we are always of good courage. We know that while we are at home in the body we are away from the Lord, for we walk by faith, not by sight. We are of good courage, and we would rather be away from the body and at home with the Lord. So whether we are at home or away, we make it our aim to please him. (Second Corinthians)"*
