

APPRECIATION

On behalf of the family, we wish to express their gratitude for your many kindnesses evidenced in thought and deed, and for your attendance at Cynthia's Celebration Of Life Service.

I'd like the memory of me
To be a happy one,
I'd like to leave
an afterglow of
smiles
when life is done.
I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright & sunny days.
I'd like the tears of those who grieve,
To dry before the sun
of *happy memories*
that I leave behind
When life is done.

Dr. Cynthia M. Williams

On Thursday, September 26, 2019, Dr. Cynthia Marie Williams, loving mom, sister, aunt, and friend, passed away at the age of 59 with family at her side. She was born to Fred & Clair Williams on February 9th, 1960 in Denver, Colorado.

For the past 10 years Cindy was a Professor of English at Ashford University. In 2009 she earned her Ph.D. in Interdisciplinary English/History from the University of Missouri-Kansas City with a 4.0 GPA. She earned her Masters Degree from the University of Texas in English & Creative Writing, and BA from Missouri State University in English & Professional Writing.

Cindy was kind, active, intelligent and independent! She was an avid reader and horseback rider, and enjoyed a good movie with family and friends. She especially had a strong love and affection for her family and her animals. She said of her pets "Like my family and my closest friends, they have never deserted me or let me down." Regardless of location she very seldom missed a family event, attending virtually all graduation parties, weddings, funerals, you name it. If family was there Cindy was to. Her final post on Facebook was of her and her immediate family.

Cindy is survived by her parents Fred and Clair, her adopted daughter and niece Alison, and four brothers Tim (wife Robin), Fred Jr (Kelly, and wife Sandy), John (wife Jean), and Larry. Her nieces are Elizabeth and Abby, nephews are Kristopher, Tyler, Blake, and Ryan, and great niece Emilyn. She is also survived by numerous aunts, uncles, and cousins.
