*Ever-growing Love*

*Love is an oddity, a mystery of life,*

*For many a prize after great hardship or strife.*

*What is this endless pull that we call love?*

*That lies in the beauty of a rose or a dove.*

*We find warmth in its endless embrace,*

*Calmness despite what we might face.*

*Passion in the flame it sets alight,*

*And heart in its power to unite.*

*Love will never truly go away,*

*Find it and cherish it every single day.*

*-Isabella Rose Tasset-*
