Angel's Kiss

*We go through life so often
not stopping to enjoy the day.
And we take each one for granted,
as we travel on our way.*

*For in your pain and sorrow,
an angel's kiss will help you through.
This kiss is very private,
for it is only meant for you.*

*We never stop to measure
anything we just might miss.
But if the wind should blow by softly,
you'll feel an angel's kiss.*

*A kiss that is sent from Heaven,
a kiss from up above.
A kiss that is very special,
from someone that you love.*

*So when your hearts are heavy,
and filled with tears and pain,
and no one can console you,
remember once again...*

*About the ones you grieve for,
because you sadly miss.
And the gentle breeze you took for granted
was just an angel's kiss.*
