Nadine passed away peacefully from complications of the flu on January 24th, 2018, surrounded by her family and husband, Donald.

Donald passed away on Sunday, November 8th, 2020 at the age of 93, surrounded by his daughters.

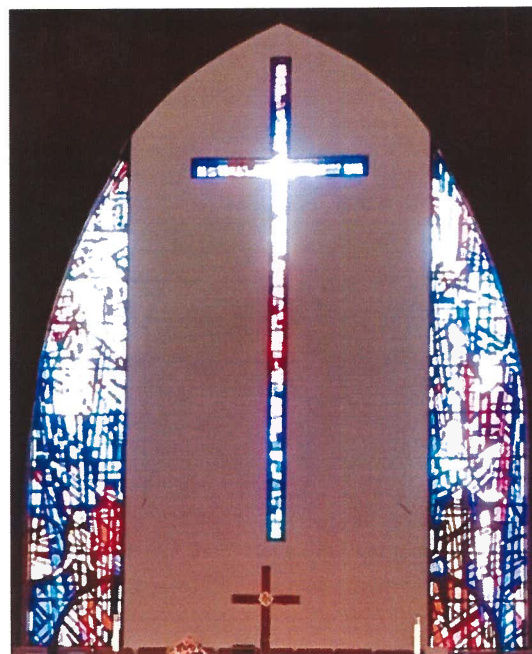

Nadine was born to Sarah Ethel (Evans) Ross and John Earl Ross on June 13th, 1927 in Poplar Bluff, Missouri. Donald was born to Grace Myrtle (Robertson) Hill and John Willie Hill on June 29th, 1927 in Poplar Bluff, Missouri.

Don was considered to be from the "wrong" side of the tracks but went on to prove everyone wrong with his great work ethic and respect for God and family.

Nadine and Don were united in marriage on March 12th, 1948 in Arkansas. They were married for a wonderful 69 years, 10 months.

Mom spent the majority of her career working in the Patent Department for Monsanto and worked tirelessly to obtain the title of Certified Professional Secretary, (CPS). Dad was a blue-collar worker and always proud of his work. He was most proud talking about the giant transformers his company built and what they were used for. Mom was offered the opportunity to retire early and dad was able to join her. They had a wonderful life and were able to travel all over the world and spend so many great times with friends and family. They loved playing pinochle with family and always talked about how blessed they were.
