"Where's my Classic 80's Movie ending"?

I'm still waiting
For my Classic 80's Moving ending.
You know,
The part just after the music drops
As you learn your lessons
And the Flash-back Montage stops
And all your struggles
Reversed and undone
With no troubles
And then
The part just when the synthesizer lifts
As your loved ones hug you
And the bad guy gets what he gives
And you step outside
And there's
'The Guy'
You know,
The part when the music slows down
Cause you realized he's been waiting for you
To take you out of town
And this is when your life turns around.
