In Loving Memory

Jeff Harley Bess

"For me, it is all about you"
for Jeff Harley Bess, from Chey Watson

What did God say to you
in the labyrinth? 

What did you say to me
on the phone?

I see you everywhere –
in Fords,
in others

I see you everywhere –
in others,
in me

I hope Dino is looking at you
like you're a real cowboy
I hope he's seeing you
for exactly who you are.
