

The Best of Seven

**Some final thoughts
During the final inning
About what's important
And what is winning**

**It's all about the moments
And not about the game
The memories that we make
Where we never are the same**

**It's easy to see sorrow
But harder to see grace
During our time on this planet
As it's hurdling through space**

**But then the game is over
Full of excitement, joy and tears
And you have a precious memory
That will last you all your years**
