AUTUMN OF LIFE

My eyes are filled with wonder  
as I look on the autumn scene.  
It's as though God held back the greatest color  
until it had aged somewhat from green.  
The Creator with His omnipotent mind  
must have planned that all His creation should possess  
Its grandest fullest colors, each its own kind  
when age has mellowed it, and life is about to pass.

As I think about the aging man  
who had known the Creator through the years  
Has knowledge, strength and wisdom quite uncommon  
and when eternity draws closer there are no fears.  
He knows that winter is coming when it is time for rest  
yet he glows like autumn full glory,  
Because springtime will come again at its very best.  
Springtime with Jesus, will be His endless story.
